

Welcome to the team,

Founded in 2014, Cardiff Allstars FC is a thriving grassroots football club with teams for players of all ages — from Under 8's right through to our Senior squads. We pride ourselves on creating a welcoming, family-friendly atmosphere where players can develop their skills, enjoy the game, and build lasting friendships.

Our supportive and dedicated coaches are committed to helping every player reach their potential, both on and off the pitch. At Cardiff Allstars, it's not just about football — it's about teamwork, respect, and being part of a club that feels like a family.
